PROFESSIONAL SUMMARY

PG-DAC graduate with strong expertise in **Core Java, Data Structures, Database Systems, and Web Application Development**. Experienced in developing full-stack applications using **Spring Boot, React, REST APIs, and SQL databases**. Passionate about scalable backend development, clean code practices, and continuous learning.

TECHNICAL SKILLS

Programming Languages: Java, C#, JavaScript, C++

Backend: Core Java, OOP, Collections Framework, Exception Handling, JDBC, Servlets, JSP, Spring Boot, REST APIs, MVC Architecture

Frontend: HTML5, CSS3, React.js, Next.js

Databases: MySQL, Oracle, MongoDB, Firebase Firestore

Computer Science Fundamentals: Data Structures (Arrays, Linked List, Stack, Queue), Algorithms, Time & Space Complexity, Operating Systems (Processes, Threads, Deadlocks), DBMS, SDLC

Tools: Git, GitHub, Postman, SQL Server Management Studio (SSMS), Visual Studio

PROJECTS

StreetBite – Full Stack Web Application 2025

- Designed and developed a scalable web platform for discovering nearby street food vendors.
- Built backend services using **Spring Boot** and implemented RESTful APIs.
- Integrated Firebase Firestore and Google Maps API for real-time location services.
- Developed responsive frontend using **Next.js**.

KoiKana – Japanese Learning Application 2025

- Developed an interactive learning platform using **React**.
- Implemented canvas-based writing practice using HTML5 Canvas.
- Built quiz modules and progress tracking features.

PROFESSIONAL EXPERIENCE

Process Executive – Data

Dec 2023 – Nov 2024

Cognizant Technology Solutions

- Performed GIS data validation and quality assurance.
- Ensured SLA compliance and maintained data accuracy.
- Collaborated with cross-functional teams for timely delivery.

EDUCATION

PG-DAC (Post Graduate Diploma in Advanced Computing) MET IIT, Nashik	Aug 2025 – Feb 2026
B.E. Civil Engineering Ram Meghe College of Engineering Percentage: 84.4%	2022
Higher Secondary (XII – Science) R.A. College, Maharashtra Percentage: 70.46%	2018
Secondary School (X) Mount Carmel English School, Maharashtra Percentage: 90.4%	2016

ADDITIONAL INFORMATION

Languages: English, Hindi, Marathi, Japanese (Basic), Korean (Basic)
Interests: Voice Acting, Digital Art, Animation, Learning Foreign Languages
